

Please hold the following in your prayers this month.

Please hold the following in your prayers this month.

Please hold the following in your prayers this month.

Please hold the following in your prayers this month.

1. Please pray for our half term projects this month. We will be working with our young people from Prince's Trust to design and decorate our lounge window. Please pray for a safe and fun week.
2. Please pray for Tina, our lead youth worker, as she works with existing staff and other agencies to enhance and develop our work with young people.
3. This month our workshops and discussions will be focusing on anti-bullying and peer pressure. Pray for our youth workers as they deliver these workshops and also that they will help the young people we work with
4. We are now planning our next fundraiser event. Wind in the Willows is at Bromley Little Theatre on the 2nd April. Please pray that we sell all our tickets and we can raise awareness for the work we do at JusB.
