

The women in the attic's voice

Why me?
What did I do?
I'm trapped inside this hell-like place
Boo...Hoo...Hoo.

Vacuous, zombie
Hidden inside this chamber.
Isolated, skeleton
Withering away like leaves in autumn.

Why me?
What did I do?
I'm trapped inside this hell-like place
Boo...Hoo...Hoo.

Depressed, alone
Trapped inside my head.
Confused, petrified
Jumbled in all my thoughts.

Why me?
What did I do?
I'm trapped inside this hell-like place
Boo...Hoo...Hoo.

Spooky, dirty
It is so disgusting.
Mould, webs
I really hate this room.

Why me?
What did I do?
I'm trapped inside this hell-like place
Boo...Hoo...Hoo.

Small, Compact
I'm gonna go insane.
Claustrophobic, asylum
Smothered by thoughts.

Why me?
What did I do?
I'm trapped inside this hell-like place
Boo...Hoo...Hoo.

Abandoned, mind-twisted
I'm trapped inside this hell-like place
Boo...Hoo...Hoo.

Abandoned, mind-twisted
I've been chucked inside this room.
Soulless, to rot

I have no purpose in life.

**Why me?
What did I do?
I'm trapped inside this hell-like place
Boo...Hoo...Hoo.**

**He says, this voice in my head
Crazy, phsycho, messed up.
These words keep repeating
Disgusting, strange, disgrace.**

**Why me?
What did I do?
I'm trapped inside this hell-like place
Boo...Hoo...
Silence. Why me?
What did I do?**

**I'm trapped inside this hell-like place
Boo...Hoo...Hoo.
Small, Compact
I'm gonna go insane.
Claustrophobic, asylum
Smothered by thoughts.**

**Why me?
What did I do?
I'm trapped inside this hell-like place
Boo...Hoo...Hoo.**

**Abandoned, mind-twisted
I've been chucked inside this room.
Soulless, to rot
I have no purpose in life.**

**Why me?
What did I do?
I'm trapped inside this hell-like place
Boo...Hoo...Hoo.**

**He says, this voice in my head
Crazy, phsycho, messed up.
These words keep repeating
Disgusting, strange, disgrace.**

**Why me?
What did I do?
I'm trapped inside this hell-like place
Boo...Hoo...
Silence.**
