

Please hold the following in your prayers this month.

Please hold the following in your prayers this month.

Please hold the following in your prayers this month.

Please hold the following in your prayers this month.

1. We have interviewed and appointed a new full-time youth worker, who we hope will be able to start early December. Please pray that the new person quickly settles into the role and bonds with the young people they are working with.
2. Autumn Half term activities were very successful with trips away and in-house activities. We are now looking towards Christmas events and have started planning for a carol service at a local care home. This is a first for us so please pray that planning goes well and that we can provide an enjoyable event for all.
3. We have been having our own JusB Bake Off each week. This has been great fun but please pray that it's a learning skill to teach young people the art of Baking and working together.
4. Please give thanks for Andrew, our trustee, who cycled nearly 1000 miles from Lands End to John O' Groats and raised over £1,700 for JusB.
